Graphic Designer for Print and Digital Media

Description:
This is a full-time position. Award-winning, full-service agency seeks creative design professional who can produce original, imaginative, and professional print and digital marketing pieces. Must be able to take projects from concept to completion. Team players only!

Responsibilities:

• Work collaboratively with agency’s in-house graphic designers to develop marketing deliverables, including: campaign concepts, a wide range of collateral material creation and production, as well as web/interactive solutions
• Work with vendors to manage the production process
• Engage regularly with project managers to meet deadlines
• Prepare job files for print production and/or programming
• Participate in client and internal staff meetings to discuss job requirements and status
• Offer creative design solutions to client marketing needs in a fast-paced environment

Bonus Points:

• Previous agency experience
• Proficient in WordPress and other PHP CMS platforms
• Experience with Keynote and Prezi
• Experience with mobile applications
• Multi-lingual

Qualifications:

• 4+ years related industry experience
• Possess a solid background of design in both digital and print layout
• Expert use of Adobe CS (Adobe Photoshop, InDesign, Illustrator, Acrobat) for Mac OS
• Knowledge of web and social media applications
• Proactive, organized, and detail-oriented
• Ability to multi-task
• Bachelor’s degree in graphic design, fine art, or related field
• Provide a portfolio with work examples

How to Apply:
Interested applicants can submit their cover letters, resumes, and samples to creativedesignprofessional@gmail.com. No phone calls please, and thank you.
