

DRUG CONVICTION ELIGIBILITY STATEMENT (DRUG)

We have received information from the federal processor that your answer to Question 31 on the FAFSA indicates one of the following:

1. You have a **drug related conviction**. If this is correct, you are **not eligible** for Federal student aid unless you complete a drug rehabilitation program and provide our office with appropriate documentation. If this is incorrect, please correct your Student Aid Report (SAR) and return it to the federal processor.
2. Your period of ineligibility for federal student aid, resulting from a **drug related conviction** ends on or after July 1, 2007 or on or before June 30, 2008. Therefore, you are **not eligible** for aid during the 2007-2008 academic year. If this is incorrect, please correct your Student Aid Report and return it to the federal processor.
