The Office of Financial Aid is permitted to use “professional judgment” on a case-by-case basis to
determine if a student meets the criteria to be considered independent. If you believe you have extenuating
circumstances that may warrant a review of your dependency status for the current award year, you, the
student, are REQUIRED to provide documentation to support your request.

The documentation of circumstances should come from two (2) third parties who know the student’s
situation but in cases where this is not available, the school can accept a signed, dated, and notarized
statement from family and/or friends detailing the circumstances. The Free Application for Federal
Student Aid (FAFSA) MUST be completed BEFORE this application is submitted to the Office
of Financial Aid for review. This form is for NEW applicants only. Please complete the RENEWAL
application if you have been previously approved.

Please check the box below of the third parties (MUST HAVE TWO (2) who are submitting
documentation and attach with form:

- Guidance Counselor ☐     Psychiatrist/Health Professional ☐
- Social Worker ☐           Clergy ☐
