DEPENDENCY CORRECTION (FADEPO)

The Free Application for Federal Student Aid (FAFSA) or the Renewal FAFSA you completed listed your status as an independent student for 2018-2019.

However, according to the **federal definition** the FAFSA information received indicates that you are a dependent student.

We cannot evaluate your financial aid application until you correct your dependency status. This can be done on the FAFSA by providing PARENTAL information and their FSA ID.

The Federal Student Aid Program Processing Center will reprocess your corrected application and will issue you a new Student Aid Report (SAR). If you have any questions, contact the Federal Processor at 1-800-433-3243 or the Office of Financial Aid at 850-644-0539.
