**Office of Financial Aid
FSU Scholarship application
Academic Year 2016/2017**

Applications accepted: March 1, 2016 – March 31, 2016

The Office of Financial Aid is pleased to announce the application period for the academic year 2016/2017 for various scholarships made available by donors to FSU. All students who will be registered as degree seeking students at least ½ time (6 credit hours or more) for the 2016/2017 academic year are encouraged to review scholarship criteria and apply for scholarships that they may be eligible for.

This application is to be used only for the scholarships on the Office of Financial Aid Foundation Scholarship List available at http://financialaid.fsu.edu/aid/OFA_Foundation.html

Attach statement or documentation for any scholarship with specific criteria. If proof of residency is part of the criteria, documentation is to be turned in with the application. For those funds that require letters of reference, letters must be submitted with the completed application. For scholarships that require a specific grade point average (G.P.A.) an academic certification from the FSU Registrar's office or a copy of the high school transcript (for entering freshmen) must be submitted with the completed application.

Funds are limited and will be awarded based upon stated scholarship eligibility requirements.

Students who are chosen as recipients of these scholarships will be notified via email, with an award letter, and further instruction. Awarded scholarships may cause an adjustment to 2016/2017 financial aid award packages.

Note: These scholarships are made available through the generous support of donors to FSU. Students awarded scholarships will be required to submit thank you letters to donors BEFORE funds can be disbursed. Students awarded will be notified by email of thank you letter requirements.
