If you believe you have extenuating circumstances that may warrant a review of your dependency status for the current award year, you the student, are REQUIRED to provide documentation to support your request.

The documentation of circumstances should come from two (2) third parties who know the student’s situation but in cases where this is not available, the school can accept a signed, dated, and notarized statement from family and/or friends detailing the circumstances. Please complete the RENEWAL application if you have been previously approved.
