**2016-2017 Appeal of State of Florida Programs**

**Bright Futures Scholarship Programs and Florida Student Assistance Grant Program**

A student has the right to appeal the termination of a Florida Bright Futures award (BF) or the Florida Student Assistance Grant award (FSAG), and Children of Disabled and Deceased Veterans (CDDV), if he/she falls below the minimum grade point average and/or credit hours required for eligibility due to extenuating circumstance. The Florida Statute states if a student does not meet the scholarship and/or grant renewal criteria due to a verifiable illness or emergency beyond his or her control, he or she may submit a written request for an appeal to the financial aid office at the institution he or she was attending at the time the problem occurred. The institution will review the situation and make a determination.
