### 2023-2024 Unusual Enrollment History

Dear Student:

The U.S. Department of Education has determined that you have an unusual enrollment history. Unusual enrollment is determined based on having attended multiple schools and received Federal Pell Grant and/or Direct Stafford Loan disbursements in a short period of time. This has resulted in a denial of any additional Federal Title IV funds (this includes, but is not limited to Federal Pell Grant, SEOG, Federal Work Study, Federal Direct Stafford loans, PLUS loans). The following information below must be submitted to our office to assist in the determination of your federal financial aid eligibility.

1. List each institution that you have attended and from which you received Federal Title IV funds. You may access that information using the National Student Loan Data System ([studentaid.gov](http://studentaid.gov)). Sign in with your FSA ID and review your federal financial aid history.
  - a. If one or more of the institutions you previously attended does not appear on FSU's academic transcript, you must obtain an unofficial academic transcript from the institution not listed and provide it to the Office of Financial Aid.

Name of Institution	Location of School (City, State)	Dates of Attendance (From-To) (MM-YYYY) Example: 08-2021 to 12-2021	Received Federal Title IV Funds	Number of Credit Hours Attempted	Number of Credit Hours Earned	Transcript Attached?

2. If you did not earn any academic credit at an institution during the review period, you must attach a written statement that outlines, in detailed narrative, any extenuating circumstances which may have contributed to your failure to earn academic credit. Third party documentation is required and must be on official letterhead.

All information provided on this form is true and complete to the best of my/our knowledge. I understand that I may be asked to submit additional documentation if necessary.
