## FAQ: OFFICERS ASK STUDENTS

### 1. *Have you completed your FAFSA?*

In order to receive financial aid you must complete your FAFSA. It is important that you do so. It is also your responsibility to renew your FAFSA every year thereafter. You can complete your FAFSA online.

### 2. *Did you know you need an FSA ID to complete your FAFSA online?*

Go to <https://fsaid.ed.gov/npas/index.htm> at any time; don't wait until you apply for federal student aid. You should request your FSA ID before you complete your FAFSA online. If you're a dependent student your parent or guardian should request one as well.

### 3. *What should you do to accept your loan?*

Complete Loan Entrance Counseling as soon as possible, and complete a master promissory note in order to receive disbursement.
